Dear Elaine and Family, I am so sorry for your loss. Wayne was always so good to me after Earl married my mother, Mary. I can remember when you two were married and the many dinners we shared. Wayne was the one who taught me to drive, took me for my driver's license and let me drive his Bonnevillie convertible. He also taught me to water ski on the Monongahela River. I will always have good memories of him. I know we've lost touch since I moved to Washington State, but remember seeing him each time at Community Day when I could make it home. My deepest sympathy to you and your entire family. Linda Smith
