The moment I first met Ron it was an INSTANT friend connection. As with Lisa. He had this way of making you feel like you've known him for years. We shared the love for Martina McBride's music. I was fortunate to have been to a few shows with Ron and Lisa. After the shows we would hang out, eat, talk, laugh and just enjoyed reminiscing about the show. He did have a beautiful smile. He also made me feel extra special when he would comment on my obnoxious photos I would post of my food. He was always so kind and complimentary with his words. Whether he knew it or not his words made my day. I'm very thankful for the memories I have with Ron. RIP sweet man. ❤️🙏

I am very sad to hear of Ron's passing. I knew Ron back when we both attended Streams Elementary through Upper St. Clair High School. Ron and I used to chat all of the time via CB radio in the 70's. His handle was \"The Enforcer\". We recently became friends on Facebook. I'll definitely miss his friendship. My sincere condolences to his wife Lisa and family.
