Tom was a great guy and great friend that I've known for many years. We had weekly phone calls to each other to keep our spirits up and make each other laugh. Conversations with Tom were either entertaining or educational. Tom you are gone way too soon. I will miss our weekly phone calls and great friendship we had. There's no one else like you in this world. RIP my sweet friend. Miss and love you so much. Heaven has truly gained an Angel. Until we meet again. Janni Nogan
