She was my homeroom teacher from 1968-1972. She was such a nice person. She had a \"calm\" about her that kept all of us feeling safe during those trying times. RIP

So sorry to hear Jack that Cousin Kay had passed away. My parents over the years always had great times with her, Bud, Jack Sr., Aunt Helen and Uncle John. For many of my years growing up I always had the train platform that Uncle John had built for me at his wood working shop at school when I was young. I had worked for your dad one summer and went with him as his chauffeur in his Cadillac to Atlantic City, it was a great trip!! Also had many fond years with Kay as when my family would come to Pittsburgh to take the boys to a Steelers, Pirates or Penguins game we always stayed at Kay's house and had a great time. I think the one year we were even able to convince Kay to go to the Penguins game with us. And we always had breakfast at the Big Boy Eat'n'Park in Monroeville before we headed back home to Maryland. So many great and fond memories. You and your family take-care. Later Joey Jankowski
