I didn't see that Jeanie had passed until this afternoon. I had the pleasure of working with her at Jefferson for four years, and she was always such a ray of sunshine for the families she served. You could always count on her to have a kind word and a warm hug at the ready. She will be greatly missed; I'm so, so saddened to hear of her passing. May her family find peace in her memories and eternal love.

You were a very special friend. Always fun and uplifting! You helped me when I lost my husband of 48 years and shared your own feelings when you were widowed. You always inspired me and gave me the push to go on with life even when I was so broken. God's speed to you, my dear friend. Heaven has received a glorious angel!

To Jeannie's family... I was so blessed to be her friend and to become an extended member of her family. I will miss her so much, I love her so much. Life will never be the same with out our lead member of the JUGS. I can only imagine how painful this is for all of you. She had so much love in her, for all of you. I would see pictures and she would talk about all of you so much, that I feel like I knew most of you, before I even met you. Peace be with you all, knowing that she is at peace. AMEN Love you all, Cindy Shaffer

She was blessed with the ability to make everyone feel welcome and loved. Much love to you all as you mourn her earthly presence, yet celebrate her passing to her eternal home. She left you with a lifetime of memories and a spirit that will never be forgotten. Dan & Pam Fry
