Sending condolences to the family of this lovely lady. I had the privilege of getting to know her working as her UPMC Service Coordinator. She was always a bright spot in my day, always so kind, always smiling, she was truly a pleasure to know. I was scheduled to see her each quarter which after getting to know her turned out to be anytime I was in the building. Diana was just that kind of person. I am truly so saddened to hear of her passing although I am envisioning her big beautiful smile to be brighter and lighter now, free from worldly constraints. G~d speed to you and that beautiful soul of yours my friend.
