I'm sorry that this message comes a few months late, but I just found out about Dustin's passing. Dustin was one of the nicest people I have ever met. I remember playing PHARA basketball with him like it was yesterday. My thoughts and prayers are with him and his family. He was one of the good ones.

Dot & Ken- my heart aches for you in this most heartbreaking time. Words cannot express my deepest sympathy. Be assured that Dustin went to meet up with my Debbie. And I can already hear Deb saying "Rat" ! I'm not sure where that came from but Deb always called Dustin "Rat". I know that Deb will watch over Dustin and care for him. Love and prayers to you both. 🙏

Dot, Ken, Bryan, Missy and families... my heart is so heavy right now. Words can't ever take away the pain. I love all of you and if you need anything at all, I am here. Fly high with the angels and watch over us all Dustin. Rest easy \"Rat\". (I called him that one day when I went to see him, he had the biggest smile on his face and laughed with that amazing laugh and smile of his-and he said \"I haven't heard that since your mom called me that\".) I loved you since the day you were born, and will love you until we meet again!
