My father would have turned 82 yesterday, July 31, 2021, except God had a different plan. One of the things he talked about was being on the \"Smuckers Jar\" once he turned 100. Well he missed that by 19 1/2 years thanks to Mercy Hospital rehab department doctors who over medicated my father which caused him to stop breathing which then put him into cardiac arrest. Sorry dad you should still be here with us.
