A wonderful memory of Tommy and I. When we were around 9 years old we had a snow storm of the century. He and I shoveled snow for just about everyone in Southside. Three dollars to ten dollars at the end of the day we were both frozen the snaps on our rubber pull over boots were iced over we went to his Mom's Aunt Sis and had the very best hot chocolate ever. We sat and counted the money and earned close to \$150. At that young age we were inseparable I miss those times with him and I am sad that we will not be able to reminisce about those fun times in the future. Love you cuz and until I see you again I will miss you.
