Our deepest condolences to all of the family. Aunt Mary was always a joyful happy person to be around. I cannot remember one single bad memory of her. I would see her on occasion at my mom and dad's, playing cards or some sort of game or just visiting. She would be laughing and telling stories or reminiscing with a smile on her face. So Very sorry to lose her. She will be missed for sure. Our deep condolences Mark & Angel shock and girls

I have so many great memories of being at Aunt Mary and Uncle Joe's as a child. Whether it was sitting at the kitchen table... watching every Disney movie that existed... playing board games... playing Atari... learning about baby fish or my favorite seeing all the beautiful flowers and gardens they used to have. Almost every time I was at the house there were beautiful butterflies or baby deer in the yard. I wish I would have made it out to see you more these last few years so my daughter could have gotten to know Aunt Mary as well. To all the family... you all have my deepest sympathies. You will all be in my thoughts and prayers. Angela D'Orfeo/Wiederstein

I have known Mary my entire life. She made me laugh, cry, and always was there to listen. She taught me many things. I on occasion worked with her at the Post office. I spent time with her at her home, and spent holidays visiting with our families. She taught me about plants and gardening. I played cards with her. I got my pretty Misty cat as a gift from my wonderful Aunt Mary, who had a heart as big as all outdoors. She will always be missed. Please be at rest. And know how much you are loved.
