Hi Sally. I really liked Dick. You, too. Today I found myself staring at an enlarged photo of him. As I wrote before, he was a really great guy. I always enjoyed being with him at the growth group and at Andy's place. I do miss him, too. - Malcolm

One fond memory that I have is the time Pastor Andy asked Dick to lead our Sunday growth group while he (Andy) was away. So Dick began our meeting with one question. And he didn't need to say anything more! Our growth group talked and discussed Dick's one question for the entire meeting! Over one hour! I know that we all truly appreciate and love Dick. Our consolation is knowing that he is at home with our Lord God and Savior Jesus Christ. May God bless and comfort our Sally and all her family with His "peace that surpasses all understanding." Philippians 4:7. Amen.
