Linda L. Muir

NOV 17, 1951 - DEC 17, 2020

Linda Lloyd Muir, of South Park, passed away on December 17, 2020 due to complications of Parkinson's Disease, which she courageously battled for over thirty years. She was predeceased by her parents, John R. Lloyd, Jr. and Aleene Mitchell Lloyd. She is survived by her loving husband Lawrence L. Muir, devoted children Lawrence L. "Chip" Muir, Jr. and Anne C. Meikle (Thomas), and her cherished grandchildren, Tommy and Kate. She is also survived by her siblings, John R. Lloyd III (late Barbara) and B. Diane Littell (Robert) and numerous nephews and nieces. Linda was a graduate of West Virginia University and received her master's degree from Duquesne University. She was a former elementary school teacher at South Park and loved working with children. She was active in her community and coached basketball, softball, volleyball, and soccer. Linda's life was a testament to courage, kindness, and compassion. She found goodness in everyone and genuinely cared for people. Linda loved to spend time with her family on the Outer Banks beaches creating memories with her grandchildren. An extraordinary person, Linda was a talented artist in many mediums and always sought to design new craft projects. She enjoyed creating her beautiful garden and attracting many varieties of birds and butterflies to her yard. Linda's life was filled with love for her family and friends and she will be sorely missed. Funeral services are private due to the COVID-19 pandemic. In honor of Linda's kind heart and spirit, we ask that everyone reach out to someone in need.

Jack , Diane and family I am deeply saddened to learn of Linda's passing. I only knew Linda as the older of Jack's (my high school buddy) 2 younger sisters. She always had a smile and upbeat spirit and took, we thought at the time, too curious an interest in Jack's and my dating life. I wish I had gotten to know her as an adult as it seems we shared some of the same interests i.e. the beach and gardening. It was heartbreaking to learn of her battle with that cruel disease. Her spirit will live on in the lives of those who knew her. Bill Palmer BHS '64

Dr. Muir and Chip, I'm so sorry to hear of Linda's passing. While it has been many many years since I last saw you guys, I have all warm memories of her, mostly of her at the soccer field when I was just a young kid. I remember her always smiling, always quick to yell hello or offer encouragement and to cheer us all on. I also remember her usually being in charge of things soccer related. I'll keep you all in my thoughts and hope you find comfort in your good memories of her. Sincerely, Kevin Coleman

Such sad news. Our condolences to Larry, Chip, and Annie. Linda had a heart that encompassed everyone and everything. She was always pleasant and kind and raised two beautiful children who shared her values. Her courageous battle with Parkinson's disease was and inspiration to my wife and I, and whenever we faced adversity, I would often think of her. Such a lovely, caring woman.

Leslie Mosesso posted:

Our thoughts and prayers go out to your family at this sad time. Her legacy is clearly in the amazing children she raised. Annie taught both of my boys in elementary school and she will always be remembered as one of their most cherished and loved teachers. Cherish your memories. All our love. Leslie, Chad and Marcus Mosesso

Brenda Lindsay posted:

My first encounters with Linda was when she would come into my kindergarten classroom as a PTO volunteer. She would always be attentive to all the children, not just her dear Annie. I would look forward to her visits because she was kind, fun-loving and always encouraging. Her love for children and people in general, was always apparent. Please accept my heartfelt condolences. She will be missed by all that know her, but her love and energy lives on in Annie and Chip.
