To Mrs. Keeling, my \"other mom,\" Thanks for helping to make my childhood the best a kid could ever have. I was so lucky to have the Keelings and my friend Tim move in across the street when I was 5. I didn't appreciate how good you were to us when I was young, but I sure do now. You recently told us that you enjoyed having us neighborhood kids around because we were such good kids. Maybe we were good kids some of the time. ;-) I'll always enjoy the memories. With much love, Chuck Faber
