Helen was such an invaluable part of Baldwin Athletics! She was the link necessary when my husband was so busy coaching and I was busy raising our family. Helen was also a very talented artist. I enjoyed being in a painting class with her at one time. Our deepest sympathy to Diana and family. Helen and her family will always be a part of my cherished Baldwin memories. She was like having a second mother. So grateful to have benefited from her kindness, compassion, loyalty, laughter and love. Helen was special and she made a profound difference in so many lives. Toots had a kind heart. She loved her family with everything in her. I cannot remember a month that would go by that Toots and Mom (Olga) would not talk. Her kind heart was shared with all the cousins, aunts, and uncles. Every time I ride past the old homestead on Sunny, I think of her and Gordon's love and humility. You will be missed.

Helen was such a wonderful neighbor. She deeply loved her children and was so good to us. Even though she has been away from Pittsburgh for many years, I fondly remember times spent with her and still make several of her recipes. Rest In Peace dear friend. Larry and Cindy Pasquinelli
