Hi. I am very sorry to hear this news about Margaret. I worked with her for many years and she talked about her grandkids all the time. She was a great lady and so very helpful to me and many others. She was one of the first people I met at UPMC when I started there in 2007 and did everything she could to help teach me and provide support and expertise. She was such a wealth of knowledge and I appreciated her very much. My condolences to your family.-Eric McIntosh.
