Brian, It very sad that Dawn has passed away, and you have my deepest sympathy for your loss. Not much else to say about her passing except that I will always remember the short time I have known her fondly, and will keep her in my prayers. And of course, any assistance I can provide, no hesitation, and no reason for you not to reach out. Take care, my brother, Bob Dassel - Blue Knights

I met Dawn years ago through my daughter, Kristen Banach. I had the pleasure of socializing with Dawn. It was never boring being with her! She was funny, silly and such a bright light wherever she went. She was also such a devoted mother. She went thru hell losing Kayla, but had the courage to continue on. My sympathies go out to her son Nicholas. My heart aches for her, but now she is no longer suffering and is at peace.

Dawn was so easy to be comfortable with. We had many fun times at our house playing Rummicube and drinking wine. I'll never forget the laughter during her search for a picture to corroborate the existence of her elf costume. She will be sorely missed. I offer my deepest condolences to Brian and her family.
