I met Paul over 40 years ago when I started at Moore Business Forms. I remember he always had a smile and a willingness to help me. Years past and we found out Paul was moving to Cleveland so he could continue to handle J & L. As a joke we move his desk and everything out in the hallway by the bathroom. Hours past and he never came back to the office. So we went out to bring everything back in. To our surprise he was sitting there working. Never giving us the satisfaction of the joke. Great man, great memories, I will keep him and his family in my thoughts and prayers.
