I posted a few pictures from a Christmas we had together in Florida. We had a great time laughing and talking about all sorts. My favorite event from that time was when she asked Chris about all his five siblings and then went to ask about his 12+ Aunts and Uncles Chris. She loved gabbing, as I do and Chris was quite an entertainer. Another memory I want to share is going to her house and making a dent in her treat cabinet. She had some tasty dark chocolate, pretzels and sometimes chocolate ice cream in her freezer. I always helped myself and she didn't seem to mind.
