Mom was the best! She was so skilled at so many things: beautiful seamstress, wonderful cook, pastries, cakes & cookies that tasted so good it could bring tears to your eyes! Being a Mom always came first with her, even when her last baby was born when she was 48 yrs. old!

Our mother was a force. She always told us what we needed to hear, even though we didn't always want to hear it, and we are better humans for it. She loved to bake, and her pie crust was unmatched. She called her great grandkids her little nookers. Even in her last days she was happy, and feisty till the end. I'll miss you Mom. Love, Eide

My Mother was one of the greatest women I have ever known!! She loved unconditionally, laughed easily, and lived life to the fullest! I learned compassion, empathy, and the true value of Family. I cherish the many life lessons she taught me and rescued me from. She always believed in me, supported my crazy dreams, and celebrated my achievements. She taught me to enjoy the simple things in life, learn from my experiences, and never take what I have for granted. She guided me as I became a Man, Husband, and Father. I have comfort knowing she is reunited with my Dad and together they are watching over us all!! I love you Mom!! Your little boy, Tim
