I am very saddened to hear about the passing of Bette Feduska. Bette and I have been exchanging Christmas cards for decades. Upon hearing of the death of my mother (Rhoda Nixon Piper, 1909-1983), Bette contacted me and through her and Fritz (I hope I am remembering his name correctly), I learned volumes about the Whetzell family. My mother was a Whetzell. Her mother, my grandmother, was May Elizabeth Whetzell Nixon, 1886-1937. I never had the pleasure of meeting Bette and I'm not sure how we are related but I feel like we were special friends. I send my deepest sympathy. Steve Piper (b.1945)

I have many memories of visiting Andy and Bette as a small child. God bless them both and all those she loved. On one visit she made waffles for breakfast. I begged my mom (Eileen) to then buy us a waffle maker after that trip. I now get to share my love for waffles with my children. I also can remember playing with sparklers in her backyard one summer and sharing her pull out couch in the basement with my sister during our visit. Hugs to all of you she was a great lady.
