There are just no words to truly express my gratitude and honor of knowing you, Momma Judy, Your caring and loving heart resonated. I am humbled to know and enjoy life with you through Chris's friendship for many many years. You not only blessed me with your daughter; my dearest Soul Sista friendship with Chris, I inherited a dear niece and nephew ; Sean and Leah, will forever hold a special place in my heart, as your loving heart touched my life deeply in many ways; as you touched many lives with your humbled heart. I am forever grateful for the dear cherished memories through the years. More so, these last two-years enjoying you and your family on vacations, holidays and get-togethers. As my family and I was with great anticipation of you joining us this Labor Day weekend. Our last fun-filled day on the boat ride in Wildwood will forever be cherished, we had one blast of a good time. Momma Judy you was a pure example of an earth angel and the glue that holds family together. Fly High Beautiful Momma, Judy, Dear, as you leave behind one dear loving legacy, which will live on, though countless hearts you have touched; mine being one heart you touched forever more. Love, Lisa "Cole Family"
