I would like to extend my sincere sympathy to the family and friends of Keith, and especially to his sweet little Kenzie. As a neighbor he was kind and helpful, and I admired him for the caring father he was to his little girl. May God bring peace to his soul.

Keith was a dear friend of mine. I knew him from all the work he has done for me at my home over the past 13-14 years. He was so good to me. He was an excellent home remodeler and said he learned his craft from his father. He spoke of his Mother and was frequently doing things for her and looking out for her prior to her passing last year. I trusted him with everything and have told him he was family to me. He always was joking and had a smile on his face. He spoke of his daughter. You could tell he just adored her and wanted to make sure she went to a good school and had everything she needed. He recently was telling me about how much fun they had at a swimming pool. He will be missed. RIP
