Andy....I can't believe this has happened to you! You literally called me the night before you passed. I so wish I could have answered the phone. I never would've guessed that would be my last conversation with you! I wish I had one last chance to say goodbye to you! Anyway, R.I.P. and R.W.G. I will miss you very much! My condolences go out to Sam and Gia. This has been a very tough week for me. I will say goodbye to you on Saturday!
