I am a long lost cousin of Tommy's. The last time I saw Tommy he was 6-7 and I was 13-14. I always enjoyed it when Tommy came to Myrtle Beach, SC to visit. I tried to find contact information for Tommy over the years from family members but no one had it. Another cousin told me of Tommys passing and gave me the funeral home information. I am so sorry for your loss.

I was Tom's occupational therapist with Interim. I was just laying in bed trying to go to sleep and randomly thought of you two and saw this. I am so sad to hear about his passing. Even though I only knew him for a short time, he was such a nice guy and I could tell he had been through a lot but kept going. He was definitely a fighter and I know he will be missed. I will be praying for your family.

We enjoyed seeing Tom and Jan when they visited Dunedin in February. I know he was ill, but he seemed to really enjoy his time here and we enjoyed spending time with them. So sorry for these back-to-back losses, Jan. My heart goes out to you.
