My condolences to the family! Georgie was my first love. I was four and he was five. I told everyone he was my husband but he never gave me the time of day. He was a sweet boy. I moved off Rolling Rock Road after eighth grade and always wondered what happened to him. I am so glad to know that he had a fulfilling life and a loving family. I always knew he would be a carpenter! He used to make us go carts and was always working in his garage making things and fixing things with Lucky by his side. Our mothers were dear friends and Nanny was such a sweet little girl. Bobby – I am so sorry for all of your losses! Sincerely, Bridget (Mann) Schafer
