Ruth was a long time neighbor of ours for over 35 years. She was always there when I needed a dog sitter especially my dog Charley. Sometimes I think she thought he was hers. Ruth and I always got along and never can I remember a disagreement among us. We quickly became family and I am still very close to her son Billy. He has stepped up to the plate many times in the past years for his dad and now his mom. May she REST IN PEACE and be there watching over my Charley,Gino. God bless Dottie & Butch xxoo
