I was so saddened when I heard of the passing of an old fishing buddy. I met Frank over 30 yrs. ago at deep valley lakes, we instantly hit it off. Everyone was "dude" to Frank, he will be missed .

My uncle was one of those people you meet and can't forget, he was truly one of a kind. He was more of a father figure, because I grew up without one, he taught me so much. He's the reason I love going fishing so much. I wish we had more time with you, but your memories will forever carry on. I'm going to make sure when I have kids they know the steam roller. We will miss you dearly. Love you ♥
