My deepest sympathy to all of the family. I have great memories of her friendship with my Mom, Helen, and of how she welcomed me as a friend to Diane back in elementary school at St. Joes. She made me feel right at home inviting me over on visits to their new Bethel Park home when they moved. She helped me open my eyes to dreaming big and I won't ever forget that. Cathy

Aunt Betty was such a special lady to us and we will love her and miss her forever! Good thoughts to my cousins and their families! I still have questions about the Faber clan that she took with her in that incredible memory bank! Carol (Faber) and Dennie Martello
