Pat, Bobby and Stephanie, Larry and I were so saddened to hear about Bob. He was a great guy and a wonderful neighbor for 30 years. We enjoyed many of his jokes and stories that he always told while we chatted in the driveway. Halloween is a great memory with his full size candy bars. All these memories will forever be in our hearts. We will keep all of you in our thoughts and prayers. Larry & Carole Artim Davenport, FL

Bob and I worked together in the early 1980s when I managed the MEL. What a wild time it was. I promoted Bob to be a foreman, but he decided it wasn't for him. He and his 50 or so compatriots accomplished many complicated tasks under difficult working conditions. I respected Bob's work ethic and appreciated his ever present sense of humor and am saddened by his premature passing.

A Mopar man through and through... I remember when we carpoled to work and he would pick me up in his green Mopar... Bob would spin those tires every chance he had! We had a lot of Great times together at work or at home, we had not spoke for some time as we just lost touch with each other. Rest in Peace my friend. Condolences to the family. Sincerely Bigfoot!
