Maxine was a great, wonderful and \"LOVING\" Lady. We were sorry we were unable to come back to Pittsburgh for the viewing. But our heart felt love and prayers were with the family believe me. Such a good hearted lady, we miss her so much. All our love goes out to Jack and the rest of her family. George & Elaine Koch.

I've only known Max for a few years and I've come to know her as a kind, loving person as well as a good sport. One of the most fun memories is when we all had to sign up to go to Hershey park the night after thanksgiving and while we had fun, we also commiserated with each other about freezing our butts off. Both of us were never so glad for some hot chocolate and a warm car at the end of the night. I'm going to miss Max at all of Dawns parties and the trips to the shore in the Fall. God bless you Max. - Emily

I Loved the time I spent with Max she always had a smile on her face. When we went to Disney together we had a blast. I would say ok Max we have fast passes for an attraction and tell her it was at 10am and needless to say we never made them cause Max was always late we would just laugh, I got to meet her twin Margie and her husband John. I loved your enthusiasm for zest for life and I'm proud to have called you my friend. We loved you Max and miss you Barb and Carmel

Max was a wonderful and warm person who I had the opportunity to know working at the Bethel Park Community Center! I always told her she reminded me of my late sister, Lynn, who just loved to "bedazzle " herself for every holiday and occasion! We will miss you so much at the center!

Max felt like family to me from the first day I met her. She laughed easily and I loved that about her. I will always picture her in her holiday turtle necks and applique sweaters because she rocked them like a STAR. Enjoy your wings, Max. We love you, and your family is your loving legacy. XXOO
