I have many memories working along side with Judy in the ER. She always had a smile and was so kind. And then there were the high heels she always wore! Take comfort in knowing we have one more angel above us. Judy Cecere Porreca

Sympathies to Bobbie and family. Judy was a hard worker in the service of others. Pleasant, helpful, and dedicated. And, had a delightful little giggle that helped her co-workers without her knowing. Rest easy Judy. Joan Grubbs.

Cousin Judy was a wonderful human being 🧡 with a huge heart ❤️. She was so beautiful 🦋 and so kind 😊; I always looked up to her ever since I was very little! She's the one who taught me the fine art of sunbathing with all its meditative, vitamin D providing, and soul warming properties 🌻. I will miss her tremendously, until we meet again. I Love you always Judy!! ❤️
