Ron and his wife were our neighbors across the street. They were the first to welcome us to the neighborhood. When our son was growing up he was a boy scout. That required some selling various things door to door for the troop outings, etc. Ron always supported Mark and his troop. Ron has always been a good neighbor. He became the first customer when Mark started his grass cutting business. He generously accepted the cookies we brought over at Christmas time even if they were not to his liking. He always said hello and had a friendly wave to greet you. To your family, we are very sorry for your loss. The Greiner Family

One of my most favorite memories is he, Rusty, my dad, and probably a couple others, would load all of us kids in 3 or 4 station wagons and going to Pirate ball games ALL THE TIME! That's when station wagons had the seats clear in the back, and we didn't need to be seat belted in! RIP Mr. Bernick...you will surely be missed! Love, Charlotte Hessey (Singer)
