Aunt Sherry looking at the picture I remember when it was taken. I was very much pregnant with my first born. You kept telling me I was a beautiful goddess. Honestly I hold so many memories like the first time you comforted me and told me I had a gift and you helped me to understand it. But most of all I'll always remember the first time I spent the night at your house and the next morning you asked if I was hungry and you handed me a mammoth muffin. Those things were amazing and I had never had one. To this day they are my favorite muffins.... every time I have one I always think of you and that will never change.
