Jim was a good friend. One of my favorite memories is when Jim braved going to the pirate game with my kids and me. It was a double header and it was our first baseball game. We had a blast. I am so sorry that he is gone. Another time is when Jim and me moved his Mother to an apartment in Washington Pa. It was us 2 but we got it done. We had a good time. He will be truly missed. Our condolences Ruth to you and your family for your loss. We met Jimmie at races with Tom. He was such a kind person. I always enjoyed my many long talks with him as well as the many messages we shared until the day before he died. Even though he suffered so much , he never complained. He was so knowledgeable in NASCAR , you could ask him anything and he would know the answer and if he didn't , he would find out. We became very dear friends and I really miss talking with him. Our thoughts and prayers go out to you and your family for your loss of such a lovely person and friend. Will be there with you in thoughts during his funeral today.
