Marge was a force in life and in the kitchen. Her cooking could not be matched. Try as she might she could not teach me how to make her fabulous pie crust. I will always remember her laughter and smile. Now Marge will smile down on her family and friends.

I remember Margie from working downtown .Margie was a legal secretary secretary and myself a tax compliance secretary. Through the years, it was always joy to visit them, as I love her sense of humor and wit and am fortunate to have gotten to know William, who is a good man, devoted husband, nurturing and loving father and a true friend. Bill always has a shoulder for me to lean on. Margie and Bill are always kind to me and Tommy, always had a laugh and I am blessed to have such wonderful friends such as Margie and Bill to get through life trials and tribulations. Margaret will definitely be missed. The silence is deafening since her passing and we cannot fill the void in our hearts that she left us with to be with our Lord. Love you guys. Fondly, Marie Miller and Tommy Jackson
