I remember its was a rainy day and Aunt Susie picked me up and we spent the day shopping and doing other things, I had so much fun. When she brought me home....SUPRISE!!!! she was actually keeping me away from home so Dad and Deb could decorate and guests could arrive for my birthday party. She was always happy to see me and I loved the sound of her laugh. Though it was many years since I had seen her again, we got a chance to sit and catchup and even enjoy another laugh. God Bless Auntie you will be missed!! Love to you all
