To the best dad in the world. I'll miss you forever. You'll always be in my heart and remember all the memories we had together. All the drives together you got me lost and appeared to know where we were at so I didn't worry. Love you for eternity! This isn't good by but see you later. Give mom a kiss for me. Your loving daughter Monica

Condolences to Bob's family, very sorry to hear of his passing! Bob and I worked for the same employer at Universal Stainless. Although we didn't work together we did have lockers close where we changed daily. One Day Bob informed me that he and my Dad (Thomas Strohmeier Sr.) worked together and were friends at Wheeling Pittsburgh Steel. Truly is a small world! I will miss our chats! RIP Bob
