I have known Ellen for almost 2 years. She was the first person I met when I started my new job. She was always smiling and gentle. She loved to hold little baby dolls as if she was taking care of them. After meeting all of her children, it was plain to see that she was an amazing mother! I will miss Ellen, But I also believe she is in a much better place now. My thoughts and prayers go out to her family and friends. Love, Stacy Rudy, RN
