Sallie was a long and dear friend with a heart of gold. We graduated high school together 1962. I had some occasions to relate with Sallie over the years. When I was in need of some legal advise, and unsure of who to contact; Sallie was there to the rescue. I visited her shortly after her accident at Mercy Hospital and have checked about her several times since. I'm so sorry for your loss, but am sure you All know what a Grand Lady Sallie was. My most sincere condolences. Moe Allsopp
