Dear Carol and all of Dale's children , I am so sorry for your loss .As you know Dale and I were friends for most of our life . He would come and visit me and we would go to lunch ,most of the time just for an ice tea or a ginger ale because he was unable to eat from being sick . We would talk about old times when we were young . I will tell you he was a good man who loved his wife and children and was a real friend to me that I could always count on . I will miss him.—Rick Cannon
