My heart is saddened to hear of Judy's passing. She was kind enough to share her journey of grief book after Michelle 's untimely death & I have shared that with my daughter & son-in-law after the death of their young daughter. I will always remember Judy & Frank as a kind & loving couple who used their grief to help others. Truly a couple of faith who raised a beautiful family.

Judy and I graduated together from Bishop Canevin High School-Crafton. We were the first graduating class of 1963 and my remembrance of Judy was to be one of the kindest, gentle and friendliest girls in our class. We were a bunch of teens suddenly placed together from different parishes in the area and had no idea what to expect of this big brand new bldg full of religious teachers, uniforms, rules, rules, and more rules. But we all survived and continued friendships thru over 60 years. We managed to get together a few times yearly for lunch and share our memories of young girls and laugh, laugh and more laughter. Judy never changed, she was the as sweet today and she was then and I am sure the girls are as sad as I am to of heard of her recent passing. God and His angels are getting another amazing angel to add to their chorus. God's peace Judy, girlfriend put in a good word for us all! Our sincere condolences to her family

Judy was my first girl friend in kindergarden at about the age of six. Her parents and mine were good friends. We went to a Christmas party at the Polish Falcons of America, we chased each other around that night for a long time. We went to school together all the way thru high school. I only remember nice things about Judy and what a really nice person she is. I'm shocked and saddened by her death. Heaven is a much happier place today because Judy is there. My prayers go out to her family. I live in Evansville In. If I was able I would like to be there to pay my respects.
