Lou was the funniest, kindest, outgoing person I've ever met. He not only was an amazing uncle but was the father figure I needed. He used to take me to Chuck E Cheese and McDonalds so I could play in the play place whenever I wanted. He was always down to have fun. Took me fishing all the time and slipped \$20s anytime no one was looking. We all should aspire to be more like him. To find the good in every situation. Long live Lucky Louie.
