We are so sorry for your loss, and you are all in our thoughts and prayers. Visiting Rita and Aunt Gert in the summer make up a lot of our favorite childhood memories. They opened their house to all of the cousins, and Rita always planned fun activities for us and had an endless supply of "pop". She would take us all over Pittsburgh, to Kennywood, the incline, the steepest hills, etc....she was the best tour guide (one time she even rented us a bus)! We have been sharing all of our fun memories with her and her funny sayings; she always had the best jokes and such a fun spirit. She brought a lot of happiness into our lives, and she will be missed. Love, Julia and Marlene

Tom and Peg you have our deepest sympathy , we worked with Rita at US Steel. I'll always remember when we started making cookies. She taught me how to make lady locks. We always had a lot of fun at work , she was a great friend and I will miss her. Bill and Barbara Miller
