To my extended family, My heart is so heavy with the passing of your Mom, and my second Mom. We were destined to be life long friends because our parents were close friends before we were even thought of. They shared so many wonderful moments together, as we all did growing up. I know in my heart your Dad, my Mom & Dad were there to welcome your Mom with open arms. It gives me comfort knowing they are once again together in heaven having one grand celebration. In Loving Memory of Wanita. You will be in my thoughts and prayers everyday. I will miss you. Cindy
