Dear Sandy, Darlene and family, Your mother was a very special person who I felt was more like an aunt to me. She was always so loving and kind every time I saw her...even when I visited her, she made sure I was comfortable and had a place to sit. I will miss her very much. Marta

Dear Sandy, Darlene and family, Your mother was more than an in-law to me...we were more like sisters. From the bus trips together - too many to count, to all of the holidays spent together over 40 years, we enjoyed a special friendship that is hard to find. I will miss your mother so very much and I will always hold her close to my heart. Margie

Dear Sandy, Darlene and family, I am so sorry for your loss. It sounds like something you just say to someone, but in this case please know that it comes from my heart. I loved your Mum and I will always remember the holidays and like Theresa said, the hugs; when she greeted me and the hugs when I was leaving. She put so much love in those hugs! I miss her sitting in her spot at the end of the table. She is forever in my heart. May God help you move forward, knowing the love she has for you. Melanie
