My heartfelt sympathies go out to the family and friends. May you find some comfort in the promise found in Revelation 21: 3-4 and 1 Thessalonians 4:14. Knowing that there is an opportunity to be reunited with loved ones.

Ronnie will always come to my mind when I see anyone eating shrimp. He loved going to the Ale House where the special was 35 shrimp. Sometimes he wanted to go there twice a week when he visited us. He was always so polite and jolly while he was here. He had a joke for every conversation. Both of us are so glad that we got to see him at Thanksgiving when both of his brothers and his sister were together for the last time. Rest in Peace, Ronnie.

We will love and miss you always Pap. Mom, Brian, and I are so happy that we could share our home and make these last few years for you as comfortable as possible. I'll always remember you cracking jokes when we were kids. You always knew how to make us all laugh and have a good time. When you moved in to our house, anytime you saw me you always complimented me and made sure that I was doing well. That positive and cheerful attitude always made my day better and helped me realize that its just that easy to make someones day a little brighter. I love you and miss you so much Pappy. Rest easy. Love always, Your granddaughter Sammie

R.I.P Pappy. I'm glad we could make your last years a quiet and comfortable one. I'll never forget when I was real young, racing through the streets of Pittsburgh with you delivering pizza and wondering how the heck you knew your way around so well. You convinced me to deliver the pizzas to their door because we'd get a bigger tip, and you were right lol. You were always my favorite person to eat pizza with because I know you liked it so much and it's one of my childhood memories of you. Love and miss you always.
