I am so sorry for your loss, please accept my sincere condolences. May the God of all comfort sustain you as you await the promises found at John 5:28,29 and Rev. 21:4 where God promises to do away with all the things that cause us suffering and pain including death here on the earth forever. (Psalm 37:29) It is my sincere hope that these thoughts comfort your family at this time. Laura

Harry hired me at Dravo in 1968. Through the years I played golf with Harry in the Dravo golf league. Harry was the assistance Chief Electrical Engineer. Later back in the 80's Harry and I were in a group that traveled to Bulgaria. He and I later took a train from Zurich to Hamburg and home to the US. I thought of him as a good friend. Phillip E.
