Debbie was a favorite niece and we have beautiful memories together that death can not take away! She was a trooper and had overcome so many obstacles in her life? She talked so often about her beautiful family - especially her adorable grandchildren! A cure was not to be so God called her gone! Her home going will leave a hole that cannot be filled! But her life will forever be a testimony to the loving, strong woman who touched so many lives! Much love to her precious family! Rest In Peace my sweet Debbie and I will see you again in Heaven where pain and death will be no more! You will be forever loved and forever in our memories! Aunt Betty June
