My deepest sympathies to the whole Lee family. So sorry I could not pay my respects in person I got word of Busters passing too late. Buster was such a good guy and all of my memories of him even during very difficult times in my life were good ones. It was Buster who noticed that some of the older boys in the neighborhood liked to "fight" me, knowing I could never win. And it was Buster who taught me to defend myself and with that gave me a lifetime of confidence. When he was "off" the boats and I was home Buster never seemed to mind talking to me and he never treated me like I was a kid, he actually listened to what I had to say. And I loved to make him laugh. I did not have much of a voice but with Buster, Sissy & yes "grandma" Scott I found my voice. Buster was with me the day we found my father dead and he took me aside outside and told me "be strong for your Mother, that is what your Dad would have wanted" and he did not hide his tears from me. For they were more than just neighbors, they were like family. I look back at my childhood as the best time of my life and a large part of that was because of Buster, Sissy and the Lee family. Right now Sissy, my dad, my Mom and Jim O'Bryon are showing Buster the new neighborhood and enjoying each others company again. Our prayers are with your whole family, GOD Bless you all.

My heartfelt sympathies go out to the family and friends. May you find some comfort in the promise found in Revelation 21: 3-4 and 1 Thessalonians 4:14. Knowing that there is an opportunity to be reunited with loved ones.
