We will miss you Dave. It was nice to see you at the reunion and have coffee with you. You were a wonderful person, so fun and charming. We were looking forward to seeing you again in July. We will think about you then. I was so glad you and Gary reconnected. He enjoyed your e-mails and phone calls. God bless you and your family. Always in our hearts. Love, Gary and Sue Sausto

Dave and I have been friends since the Summer of 1952. The beautiful smile, eyes, and humor never changed in all those 66 years. Every time I got back to Pgh, Dave would plan something for us to do. A group dinner with old school friends, a sightseeing tour of the changes on Brookline Blvd., and so much more. My heart aches knowing I won't be with him again at our next reunion to see his smile and laugg at his jokes.Nancy Cain

Super Dave: We were best friends for over 60 years. Almost to the end he would call me 3 times a day, and ask me the same questions over and over again. I would tease him about it and tell him my IQ drops 10 points every time he calls. What I wouldn't give to hear him ask those same questions again. We were like Brothers since the 6th. Grade and I will miss our. Sometimes mindless repartee. He was a big part of my life. Can't wait to see him again in Heaven. Rob McCann

Almost 28 years ago, Dave and I took a trip, in my Piper Cherokee, to Graceland in Memphis, TN to visit Elvis Presley's mansion. Many times when I saw Dave outside of his home, we'd remember that good time we had then. Sorry to say, you are gone much too young. R.I.P. Ron Yamka Canonsburg

I knew Dave fairly well at SHHS and kept in touch for our Class of 1964 Reunions and other Events. He was a Good Guy. Always Pleasant with a Smile. Truly saddened by his Passing. Just So Sad to hear this. I took this Photo of David with his Mustang at an Oct. 2010 Picnic at the Silent Brook Barn in South Park. That SMILE you see on Dave is just exactly how he was. Rest in Peace, Dave, friend and classmate, of our Brookline Group. An active member of our group, Dave would always ask about our next \"coffee\" gathering at Panera's. He helped plan our upcoming July reunion. Dave was our champion, so happy to get together with his Brookline friends, and he will be sadly missed.
